Based on the fund's portfolio as at 31 July 2018, the Volatility Factor (VF) for this fund is 7.73 and is classified as "Moderate". (source: Lipper). "Moderate" includes funds with VF that are above 6.615 but not more than 8.710 (source: Lipper). The VF means there is a possibility for the fund in generating an upside return or downside return around this VF. The Volatility Class (VC) is assigned by Lipper based on quintile ranks of VF of qualified funds. VF is subject to monthly revision and VC will be revised every six months. The fund's portfolio may have change since this date and there is no guarantee that the fund will continue to have the same VF or VC in the future. Presently, only funds launched in the market for at least 36 months will display the VF and its VC.

Note: Before investing we recommend that you read and understand the contents of the Pheim Master Prospectus dated 30 May 2017 that have been registered with the Securities Commission, who takes no responsibility of the contents. Units will be issued upon receipt of completed application form which is readily available together with the Pheim Master Prospectus at our main office or any of our authorised agents. Past earnings or a fund's distribution is not a guarantee or reflection of the fund's future earning/ future distribution. The prices of units and distribution payable if any, may go down as well as up. Where a unit split/distribution is declared, you are advised that following the issue of additional units/distribution, the net asset value per unit will be reduced from pre-unit split NAV/cum-distribution NAV to post-unit split NAV/ex-distribution NAV. Where a unit split is declared, the value of your investment in Malaysian ringgit terms will remain unchanged after the distribution of the additional units. Also consider the fees and charges involved before investing. This Fund has not been approved for sale or purchase by any authority outside Malaysia. Non-Malaysian residents are advise to observe all applicable laws and regulations of their relevant jurisdiction. Please refer to the Master Prospectus dated 30 May 2017 for more information on special risks involved in investing in this fund. The Product Highlights Sheet is available and investors have the right to request for it, and should read and understand it together with any other product disclosure document before making any investment decision.
